// 100% SFODERABILE / 100% REMOVABLE COVER

// Margaux è completamente sfoderabile.

Il riempimento è in POLIFILL, una miscela esclusiva adatta all'utilizzo outdoor, composto da perle di polistirolo vergine e chips di polietilene.

I prodotti realizzati con POLIFILL, adattandosi alla forma del corpo, offrono un comfort ottimale, sono stabili e con una elevata resilienza per una lunga durata nel tempo. POLIFILL è inattaccabile da muffe e batteri. Non assorbe l'acqua.

// Margaux is completely removable.

The filling is POLIFILL, a proprietary blend suitable for outdoor use, made with virgin polystyrene pearls and polyethylene chips.

All the products made with POLIFILL, adapting to the body, provide optimal comfort, are stable and high resiliency to be long lasting. POLIFILL is resistant to mold and bacteria. It does not absorb water.
